

Midnight Stage Presence

Design Tokens • Color Palette Specifications

NO	PREVIEW	NAME	VALUE	TOKEN	ROLE / CONTEXT
01		Pitch Black	#000000	--color-pitch-black	Primary background for footers and expansive content sections, subtle borders, text for badges
02		Charcoal Canvas	#222326	--color-charcoal-canvas	Default page background, card backgrounds
03		Graphite Base	#0d0d0e	--color-graphite-base	Background for subtle surface differentiation, text buttons, and darker borders
04		Deep Slate	#272c33	--color-deep-slate	Card backgrounds, button backgrounds for secondary actions
05		Subtle Ash	#191c21	--color-subtle-ash	Secondary background color for body sections
06		Muted Stone	#211d0d	--color-muted-stone	Text color for muted elements, borders on certain components
07		Iron Gray	#43454c	--color-iron-gray	Button backgrounds, inset shadow on interactive elements
08		Silver Mist	#9ea0a9	--color-silver-mist	Text color for secondary information, muted icons, disabled states
09		Light Steel	#d4d5d9	--color-light-steel	Subtle body text color, borders
10		Pure White	#ffffff	--color-pure-white	Primary text color, active states, badge backgrounds, clear button borders
11		Ghostly Gray	#f4f4f5	--color-ghostly-gray	Hover states for text and icons, borders for ghost buttons, light text
12		Action Raspberry	#e32652	--color-action-raspberry	Primary action buttons, prominent icons — a vibrant pop against dark backgrounds for conversion
13		Interactive Lime	#dcff00	--color-interactive-lime	Green action color for filled buttons, selected navigation states, and focused conversion moments. Use as a supporting accent, not as a status color
14		Highlight Gold	#eed37f	--color-highlight-gold	Accent borders for interactive cards or highlighted content, decorative elements
15		Subtle Cadet	#596170	--color-subtle-cadet	Background for small, less prominent interactive elements
